We bring you a festival of Eastern European cultures—showcasing their food, desserts, music, art and cultural experiences!

The month of April is designated as "Eastern European Month" in Ohio. So several of our Eastern European Clubs in the Dayton & surrounding area (Hungarian, Polish, Czech, Slovak and others) will come together under one roof to raise awareness of what it means to be of "*Eastern European Descent*"

Save the date and plan to spend several hours—enjoying the dancing, singing, music, the displays, the demonstrations, the information, the friendship and OH YES! the FOOD!

Bring your family and friends for a fun time

Crafts, food & collectables will be for sale at the Participants booths.
